The unsuspecting kids and digimon agree. If only they knew what would happen to them.....

"Welcome to the..... Digi-expose!!!!!!!!!!!!!!" DESTN announces

very annoying. All of them get horny with each other, and Mimi and Sora are whores. T.K. and Kari are stupid

bratty bastards. Thank you for c-c-coming, by-bye!

DESTN exits the studio with a flourish. But he doesn't see the digidestined stampeding towards him with uzis,

cleavers, missiles, etc. DESTN inherits magic powers and turns the digidestined and their digimon into bags of chips.

>
He stuffs himself with food and then says, " Ahhhh.....That was refreshing!"

>
DESTN revives the kids and the monsters with no memory at all of the interview but he fails to do that. He runs

away before the kids realize that they didn't get their money. But luck has run out for him and.....

>
DESTN is at the hospital, glad that the kids had only injured him enough so that he would pull through, but not

without scars that will remind him of his foolish attempt of outsmarting the digidestined. After two minutes of

learning about not to get Japanese kids angry, Kyra and Supersonic comes back to life and pulverize DESTN. But
